*Examiner's Amendment*

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Mr. John R. Mattingly (Reg. No. 30,293) on August 03, 2005.

**In the claim:** Claim 7 has been amended as follows:

7. A computer-implemented document information management method for opening document information to a plurality of users, comprising the steps of:
  - managing each of said document information in an editable form and in a reference-only form;
  - offering said document information in the editable form to users desiring re-utilizing of said document information; and
  - tracing and managing the utilization state of said document information when said document information is re-utilized,wherein, when said document information is re- re-utilized, said step of tracing and managing a subsequent re-utilization state of said document information comprises the steps of:

causing a re-utilizing user who re-utilizes said document information to submit the re-utilizing document information for a review;

presenting a subsequent re-utilization state after re-utilization of said document information to a creator of said document information;

if said creator accepts the contents of said re- utilizing document information, notifying said re-utilizing user of completion of the review; and

if said creator did not accept a content of said re-utilizing document information and pointed out a problem, notifying said re-utilizing user of no-completion of the review of said re-utilizing document information, urging said re-utilizing user to solve said problem.
